Erum Khan

Digital Marketing & Social Media Manager

Dubai, UAE • erumkhan0106@gmail.com • +971527978593

Professional Summary

Digital marketing and social media leader with over eight years of cross-industry experience spanning across FMCG, education, hospitality, and F&B, including significant exposure to the Dubai market. Proven track record of driving brand growth, audience engagement, and measurable business impact across diverse consumer segments. Currently handling digital and social media marketing for Azad Hind Dhaba, where I manage content, influencer collaborations, customer engagement, and e-commerce platforms such as Noon Food, Careem, Deliveroo, Keeta, Places, Zomato, and Talabat. I enjoy working at the intersection of strategy and execution, using digital channels to build brand visibility, drive footfall, and grow engaged audiences. Based in Dubai and open to digital and social media roles.

- Paid Advertising (Meta Ads, Google Ads – basic to intermediate)
- Creative & AI Tools (Canva, CapCut, AI content tools)

Professional Experience

Azad Hind Dhaba – Dubai, UAE – Digital Marketing & Social Media Manager **Dec 2024 – Present**

- Led end-to-end digital strategy for a high-growth F&B brand in Dubai, driving a **618% increase in Instagram follower base within 12 months** through targeted content strategy, influencer collaborations, and consistent short-form video execution
- Spearheaded content strategy and execution across Instagram and short-form video platforms, delivered a **12,100% growth in follower base and a 2.3x increase in average engagement rate,** positioning the brand among the top-performing independent North Indian restaurant pages in its catchment area.
- Conceptualized and executed integrated social media calendars aligned to in-store campaigns and seasonal promotions, contributing to a **38% uplift in weekend footfall** and measurable spikes in dine-in reservations during campaign windows.
- Architected and managed influencer marketing programs end-to-end (identification, outreach, hosting, and amplification), generating over **680K cumulative content views and 480K+ reach** through influencer-led campaigns, while driving a **200% increase in first-time customer walk-ins** and orders during campaign periods.
- Optimized presence across key aggregator and delivery platforms including Noon Food, Careem, Talabat, Deliveroo, Keeta, and Zomato, resulting in a **42% increase in combined monthly online sales** and improved platform visibility through data-led promotion planning, menu optimization, and listing management.
- Strengthened online reputation management across social media channels, improving average ratings from **4.1 to 4.6 within 5 months** while reducing average response time to Instagram messages and comments by **50%**, strengthening brand trust and repeat engagement.
- Collaborated cross-functionally with culinary, operations, creative vendors, influencers, and aggregator partners to deliver **64+ campaigns**, content shoots, and seasonal activations annually, including monthly content calendars, festival campaigns,

influencer collaborations, and branch-specific shoots, while coordinating with **70+** internal and external stakeholders and achieving **100% on-time execution**.

- Deployed targeted Meta Ads and platform-level boosts with disciplined budget control, achieving a 2.8x return on ad spend (ROAS) and reducing cost-per-engagement by 35% through iterative optimization.

Hotel Ondas Do Mar – Goa, India – Marketing & Administration Coordinator **March 2021 – Sep 2023**

- Supported the hotel's basic digital presence, including occasional social media updates and online visibility
- Coordinated closely with the property owner on day-to-day operations and marketing-related decisions, acting as a point of contact for external coordination
- Assisted with hotel listings and information updates on online travel platforms such as Booking.com and similar channels
- Handled guest communication across online platforms, responding to inquiries, messages, and reviews to ensure timely and professional responses
- Helped maintain consistent brand information and guest experience across digital touchpoints while managing administrative responsibilities

Education Sector Experience – Bengaluru, India – Mathnasium | Kumon **Nov 2015 – Nov 2020**

- Took ownership of student progress, ensuring learning goals and growth milestones were consistently achieved through tracking and coordination with instructors
- Trained franchise owners, instructors, and centre staff to ensure standardised delivery and adherence to established teaching and operational methods
- Supported local marketing and outreach initiatives to promote educational programs and improve enrolments
- Assisted with organising events, workshops, and centre activities to drive awareness and engagement
- Acted as a key point of contact for parents, managing enquiries, feedback, and ongoing communication
- Encouraged and managed parent feedback and online reviews across platforms such as Google and other review portals
- Worked closely with internal teams to maintain consistency in communication, service quality, and overall customer experience across centres

Red Bull India – Bengaluru, India – Marketing Associate (Brand & Event Marketing) **Sep 2011 – July 2015**

- Supported on-ground marketing activities and brand activations as part of Red Bull's field marketing team
- Assisted in the execution of major Red Bull events such as Red Bull Paper Wings, Red Bull Night Race, Red Bull Three Style, and Red Bull Street Style
- Took part in sampling programs and consumer engagement initiatives to increase brand awareness
- Coordinated with event teams, student brand managers, and vendors to support smooth execution of activations
- Assisted in collecting on-ground feedback and insights to support future marketing and engagement initiatives
